

About This Book

Writing meaningful sentences and building grammatically correct language structures are important aspects of English learning. Good writing skills enable one to communicate effectively.

600 Questions

60 exercises, 10 questions each: 50 focussed exercises and 10 revision exercises on the use of sentence connectors including coordinating, correlative and subordinating conjunctions, linking adverbs and transition words.

Example

An example is provided at the start of each exercise as a guide for students.

Specific Focus

The exercises are grouped according to question types and/or sentence connectors introduced in the book for focussed learning.

Performance Record

Incorporated in the Contents page, the Performance Record gives students a quick and easy way to track their progress.

Tear-out Format

Perforated, the pages can be easily removed for use as tests or worksheets for classroom or home learning.

Answers

Answers are provided at the back of the book for quick and easy assessment.
